

## **How does the Student Services Coordinator help you?**

Student Services Coordinators provide instructional, career, collaborative, and supportive assistance to Career and Technical (CTC) students, focusing on student recruitment, enrollment, instruction, retention, and placement, thus preparing students for academic and career success. These services include, but are not limited, to the following.

**Individual or small-group remediation**

**Curriculum and/or equipment modification**

**Career & Technical counseling**

**Transition from secondary to post-secondary vocational programs, or from school to work**

## **Department of Student Services and Vocational Counseling**

***Leigh McCarty***  
***Vocational Counseling***
